Precision Pump & Valve, LLC Authorized Repair / Replace Center for The Protectoseal Company

Bensenville, IL – February 10, 2020

Press Release: The Protectoseal Company is pleased to announce our partnership with Precision Pump & Valve, LLC (PPV) to provide repair and replacement services for the Gulf Coast and Ohio locations. PPV technicians have been factory trained and certified to work on Protectoseal vapor control products, to include but not limited to pressure and vacuum relief vents, emergency vents and tank blanketing valves. The high level of service that PPV provides will ensure that your Protectoseal equipment is repaired in strict accordance with factory procedures, utilizing only original equipment parts. Equipment serviced by our Authorized Repair / Replace Centers is recertified to original factory specifications.

Repairs can be performed either on-site or at one of the PPV service centers shown below. Please contact PPV – your trusted partner for the repair and replacement of Protectoseal equipment.
